**WHO  
WE  
ARE**

# Welcome to Integral Group

Integral Group is a leading sports facilities construction and sports facilities' products manufacturing company internationally for over 25 years. Our mission is to contribute to the development of sports and healthy living with innovative and sustainable solutions. We specialize in the design and construction of various facilities such as stadiums, sports complexes, sports academies, athletics tracks, racecourses, swimming pools, and padel courts.

We pride ourselves on producing projects to international standards. By building facilities that meet the criteria of prestigious organizations like FIFA, IAAF, and ITF, we have proven our quality and reliability. The strength of our company lies in our expert technical team. Our ability not only to deliver projects of high quality but also to complete them in record time is a significant factor that makes us competitive in the industry.

Integral Group has made an international impact by exporting to 90 countries worldwide, serving our global customers with sales and marketing departments fluent in six different languages. Conscious of our responsibility to society, we develop environmentally friendly projects and actively participate in social responsibility activities.

Our future goals are to contribute further to the development of sports and healthy living with innovative and sustainable projects and to strengthen our leadership position internationally. At Integral Group, we believe in the power of sports and continue to progress on this path.

**01**

We delivery turnkey projects. Our source of inspiration in the developed projects is always human.

**02**

We design the structures of the future for you in every field we offer service with our 13 brands.

**OUR MISSION  
OUR VISION**

## Mission

Our mission at Integral Group is to contribute to the development of sports and healthy living with innovative and sustainable solutions. Together with our expert technical team, we aim to provide projects of international standards that add value to our customers and society. Striving for excellence in every project, we work towards delivering quality and reliable services.

## Vision

Our vision is to be a global leader in the construction of sports facilities and related product manufacturing. We aim to maintain our leadership in the industry through innovation, quality, and swift delivery, while maximizing customer satisfaction on a global scale. By contributing to the advancement of sports and healthy living worldwide, we aspire to enhance the quality of life for communities. We aim to take a leading role in the international sports arena by preparing countries for sports Olympics and international championships in the next five years.

A man in a dark suit and tie is shown from the chest up, holding a glowing blue envelope in his right hand. The envelope is open, revealing a complex network of blue lines forming a grid pattern against a dark background. The background is a dark blue gradient with small white dots resembling stars or particles.

## MESSAGE OF THE CHAIRMAN

A handwritten signature in blue ink that reads "Yavuz Macit".

CHAIRMAN OF THE BOARD

**Dear Valued Customers,**

As the founder of Integral Group, I'm, Yavuz Macit, am deeply honored to address you. With over 25 years of experience, our company has been providing services in the construction of sports facilities and related product manufacturing. Throughout this time, we have always been aware of the importance of contributing to the advancement of our industry and adding value to our customers. Our industry is a dynamic field that constantly requires change and innovation. Therefore, at Integral Group, we aim to lead the industry by embracing principles of innovation and sustainability. By prioritizing compliance with international standards and quality in our projects, we will continue to strengthen our position as a leader in the sector.

Regarding our esteemed customers, your satisfaction and trust are at the core of our operations. In each of our projects, we aim to exceed your expectations and provide you with tailor-made solutions. The strong relationships we build with you form the foundation of our company's future success.

In the coming period, as we strive to take a pioneering role in the preparation process for international sports events, we will continue to follow industry innovations and provide the best service to our customers. Your support and collaboration are indispensable to us on this journey.

Reiterating our commitment to our industry and customers, I hope for many more successes together. I extend my thanks to all of you and wish you a future filled with health and success.

**Sincerely,**

Integral  
group

BOARD

After graduating from the English Economics department of Istanbul University, Aydın Çetin worked in individual and commercial marketing at Yaşarbank, Sümerbank, and Oyakbank, respectively. He then held the position of Commercial Banking Marketing at Alternatifbank from 2007 to 2021, including the last 7.5 years as branch manager. Aydın completed his Master's in Business Administration during this period, further enhancing his expertise in financial services and management. His extensive experience in the banking sector makes him a well-rounded professional in marketing and business strategy.

**Altan KABAKÇI**  
Sales Manager

Altan Kabaklı is a graduate of the Faculty of Business Administration at Anadolu University and holds a Master's degree in International Trade and Logistics Management from Aston American University. With over 20 years of experience in the private sector since 2004, Kabaklı has held various positions, including Supply Chain Manager, Foreign Trade Director, Vice General Manager of Sales, and Export Manager. Fluent in English at a professional level, Kabaklı is the author of two books on "Foreign Trade and Software Systems" and currently serves as the Export Manager at Integral Group.

**Metin ŞENTÜRK**  
Digital Marketing and IT Manager

Metin Şentürk, a Trakya University Computer Programming graduate, began his career in 1999, gaining significant experience in digital advertising and e-commerce. At Integral Group, he leads a digital marketing team, managing 13 brands' digital identities and overseeing network and security systems. Fluent in Bulgarian and English, Şentürk also holds a Google Digital Marketing certification, combining his technical expertise with strategic marketing insights to drive online presence and business growth. His dual proficiency in languages and certifications enhances his ability to navigate and succeed in the digital marketing landscape.

## Cenk CEM

### Project Development Manager

Cenk Cem has served for over 25 years in the management of facilities, stadiums, and security at the Turkish Football Federation. He has provided consultancy on stadium/facility operation in line with FIFA and UEFA criteria for all stadium projects and training facility/academy projects and constructions in Turkey. He has participated in FIFA and UEFA international championships and has been at the forefront of Turkey's sports facility development and operational advancement, working closely with public institutions.

## Mahmut TOPAL

### Business Development Manager

Graduate of Polytechnic University in New York with a Bachelor's in Aerospace Engineering, Mahmut Topal has held executive roles in various international companies in the USA. From 2004 to 2014, he served as Board Member and VP of TACCI - Turkish American Chamber of Commerce, earning the 2010 Golden Turk Award for his contributions and success. With expertise in international business development and extensive experience across North and South America, Europe, the Middle East, and Central Asia, he excels in building alliances and driving successful projects. Fluent in English and Turkish, he joined Integral Group in 2024 as the Key Account Executive managing global projects.

## Özgür ÖZTÜRK

### Project Coordinator

Özgür Öztürk, a graduate of Anadolu University's Faculty of Business Administration and holder of a Master's degree in International Trade from Istanbul Commerce University, has extensive experience in the private sector over 24 years. He has held various positions including Sales Manager, Foreign Trade Manager and Director, International Sales Director and Export Manager since 2000. Fluent in French at a native level and English at a professional level, he has managed export, import, and transit trade operations across America, Africa, the Balkans, and Asia. Currently, he serves as Senior Export Manager at Integral Group, driving international sales strategies.

## Adem ER

### Human Resources and Administrative Affairs Manager

Adem Er, with degrees in Tourism from Akdeniz University and Business Administration from Anadolu University, has spent the last seven years working as a Human Resources & Administrative Affairs Manager in various industries, including Textile, Health, and Construction. Fluent in English, he currently serves in the same role at Integral Group, where he oversees HR strategies and administrative functions, ensuring effective management of personnel, policies, and operations. His diverse industry experience and language proficiency contribute to his role, enabling him to lead and support the company's growth and organizational goals.

**Osman ORUÇ**  
Accounting Manager

I am a graduate of Anadolu University's Faculty of Business Administration and a Certified Public Accountant with 20 years of experience in corporate companies. I am responsible for establishing and developing accounting systems, preparing accounting and financial records, managing all tax returns, performing cost calculations, and analyzing financial situations—each requiring expertise in its field. My role extends into strategic decision-making processes, leveraging my accounting and financial expertise to drive effective business strategies and contribute to the overall growth and success of the organization.

**Özhan DÖNMEZ**  
Export Operation Responsible

Özhan Dönmez, with degrees in Business Administration and Sociology from Anadolu University and Istanbul University respectively, has over 10 years of experience in export operations within the medical and natural stone industries. Fluent in English, he currently manages logistics and customs for Integral Group's international projects, ensuring compliance with trade and customs regulations. Özhan's expertise in international trade and customs procedures is essential in facilitating smooth and compliant operations for the company's global initiatives. His role is pivotal in optimizing supply chain efficiency and managing cross-border transactions effectively.

**Olcay AKGEYİK**  
Procurement Responsible

Olcay Akgeyik, with a degree in International Relations from Anadolu University and a certificate in International Foreign Trade from Marmara University, has over 9 years of experience as a Procurement Officer. He specializes in enhancing supply chain efficiency and managing supplier performance. Fluent in English, Akgeyik has been with Integral Group for 2.5 years, focusing on procurement and supply chain strategies. His expertise ensures the effective management of suppliers and smooth operations, contributing significantly to the company's overall success. Olcay is committed to driving continuous improvements in supply chain processes, optimizing costs, and fostering strong relationships with key suppliers.

**Mustafa ŞAHİN**  
Production Manager

He graduated from Kocaeli University, Faculty of Engineering, Department of Civil Engineering, and for 3 years, he carried out many activities, including urban transformation projects, such as managing teams in both office and construction site parts of different buildings, including masonry and reinforced concrete, and monitoring site manufacturing. Afterwards, he continued as manufacturing and construction site manager in steel construction projects. He has been working as steel construction manufacturing manager since 2023.

# ADVISORY BOARD

## **Prof. Dr. Adnan AKSU**

**Architect**

Graduate of Gazi University Faculty of Architecture, Lecturer Prof. Dr. Adnan Aksu has undertaken many projects in the field of sports facility design. He continues his academic career and provides services through the Azaksu Architecture office, which he founded with his wife, Zehra Aksu. Azaksu Architecture has successfully completed numerous architectural design and application projects, both nationally and internationally. Since 1994, the firm has provided exceptional services in sports facility project design in Turkey and abroad, contributing significantly to the development of sports facilities worldwide.

## **S.Sarper ÜNLÜ**

**Architect**

S. Sarper Ünlü, with a significant part of his career in Turkey's leading construction companies, participated in major projects such as the Bahçeşehir Project, Bağcılar, Bomonti International Convention and Tourism Center & High-Rise Hotel and Residence Tower, and İstinye Park Shopping Center. He also served as the project coordinator for Galatasaray Club's sports facilities, including Seyrantepe Sports Complex and Krasnodar Stadium. Renowned for his expertise, he successfully executed complex sports facility projects with economic and timely delivery, making him a distinguished professional in sports architecture and large-scale construction projects.

## **Dr. Tuğrul HOCAOĞLU**

**Landscape Architect**

Turf Field Construction and Maintenance Expert – Turf Inspector Dr. Tuğrul Hocaoğlu, a graduate of the Faculty of Landscape Architecture at Ankara University, currently serves as a turf expert at the Turkish Football Federation (TFF). With extensive experience in turf field construction and maintenance, he has played a critical role in numerous high-profile projects. Dr. Hocaoğlu served as the turf maintenance coordinator for UEFA EURO 2016 and the 2023 UEFA Champions League final, ensuring top-quality pitch conditions. His expertise in turf inspection and maintenance has made him a trusted authority in the field, both nationally and internationally.

## **Sevim KÖSEM**

**Electrical Engineer**

Sports Field Lighting System Expert Sevim Kösem graduated from the Electrical Department of Marmara University and began her career in a private company. She then worked as an Expert Lighting Designer at Philips (Signify) for 20 years, contributing to numerous projects, including sports fields. During this time, she completed "The Outdoor Lighting Designer" training in France and "The Indoor Lighting Designer" training in the Netherlands. Leveraging her experience, she founded her consultancy firm, specializing in sports field lighting systems. With international training and expertise, she has successfully delivered high-quality lighting solutions for diverse projects nationally and internationally.

**Cemil YAMAN**  
E. Electronics Engineer

Green Building Certification Expert, following his master's degree, has obtained several prestigious certifications, including LEED AP, BREEAM, GSAS, and YES-TR. His expertise spans project management, green buildings, and sustainability, focusing on energy efficiency and eco-friendly solutions. He is also skilled in property and facility management, energy management, contract management, maintenance, and procurement. His extensive knowledge and certifications make him a trusted authority in promoting sustainable development and green building practices globally.

**Mert BORA**  
Civil Engineer

Project Coordinator Mert Bora, a graduate of Kocaeli Faculty of Construction, has built an impressive career in the international construction sector. He has contributed to numerous significant projects, including the Donbass Arena Stadium for Shakhtar Donetsk Club and the Krasnodar Arena. Specializing in sports facility construction, he has overseen the successful execution of multiple high-profile projects. Mert Bora's expertise in project coordination and management has shown exceptional leadership and efficiency, making him a distinguished figure in sports infrastructure construction.

**Kaan GÖK**  
Attorney at Law

Kaan Gök graduated from Yeditepe University Faculty of Law in 2003. He began his career at Heussen Rechtsanwaltsgeellschaft (formerly PwC Veltins) in Frankfurt, Germany. After returning to Turkey in 2004, he worked as a senior lawyer at a leading law firm in Istanbul. In 2010, he co-founded Başpinar & Partners Law Firm with two partners, where he continues to practice law. Kaan Gök specializes in providing legal consulting services in commercial law, real estate law, and intellectual property law to both domestic and international clients. Fluent in English, he is highly experienced.

**Cemil NADİR**  
Field Inspection Expert

After graduating from the Faculty of Engineering at Yeditepe University, he serves as the representative for an international sports laboratory in Turkey and the Middle East, inspecting the conformity of football, athletics, tennis, and basketball surfaces to international standards. The Integral Group relies on his expertise and inspection consultancy to ensure that their products and applied surfaces meet these stringent requirements. His work ensures high-quality, compliant sports infrastructure, contributing significantly to the development of safe and durable playing surfaces across the region.

**Mehmet Faruk ERTEKİN**  
Advisory Board Member

Graduated from Istanbul University (English Economics) and completed a Master's in Middle Eastern Economic Policy at Marmara University. Ertekin specializes in international trade, construction, sports facility development, and economic strategy. He manages his own consultancy firm, advising companies in Turkey and abroad. Since 2023, he has served as an International Economic and Policy Consultant for a major Turkish news organization. His focus is on the Middle East and Africa, particularly in global trade, sports infrastructure, and investment strategies. Ertekin combines academic and practical experience to support Turkey's economic growth.

**Muhammet ŞENEL**  
Advisory Board Member

Muhammed Şenel graduated from the International Islamic University Islamabad and has over 25 years of experience in foreign trade, import, and export. As an export manager across various sectors, he has traveled to over 45 countries for business. Specializing in the Middle East and African markets, Şenel has established strong business connections and signed numerous strategic agreements. Fluent in Arabic and English, he fosters international collaboration and global trade initiatives, significantly contributing to Turkey's economic development.

**Daniel PATTI**  
Advisory Board Member

Daniel Patti is a sports executive who served as the President of the International Padel Federation (FIP) from 2012 to 2018, promoting padel on an international scale. With over 35 years of experience in international sales, marketing, and business development, Patti began his career at Siemens and later held Business Unit Director positions at companies like Mirage, Pastorelli, and Florim. Since 2019, he has been the International Sales Director at Cantori s.r.l. His expertise in project management, engineering, and consultancy has made him a respected figure in the industry.

**Fabián GELIBTER MAIDANIK**  
Advisory Board Member

Fabián Gelibter Maidanik has expertise in both the insurance sector and padel sports. He serves as the Commercial Office Director and Exclusive Agent for DKV Seguros Médicos in Fuengirola, providing solutions in health and income insurance for individuals, SMEs, and international clients. Fabián also acts as a technical consultant and referee for the Spanish and Andalusian Padel Federations. Recognized as an international trainer for coaches and referees, he has contributed significantly to the development of padel sports through sports management and education. Fabián's career is marked by his commercial acumen and leadership in sports.

# OUR CULTURE

## Our Values:

Our values form the foundation of our company and shape the way we do business. We conduct our business in line with the principles of honesty, respect, and transparency.

### Employee Experience:

Our employees are our most valuable assets. Their happiness and development are at the core of our business. By providing a fair working environment and career opportunities, we enable our employees to develop themselves.

### Integral Academy:

To facilitate the rapid adaptation of new employees and the continuous development of existing employees, we have established Integral Academy. This platform allows our employees to improve their personal and professional skills through various training programs and workshops. Integral Academy guides our employees in their career journeys and contributes to the continuous growth and development of our company.

### Social Space:

At Integral Group, we value providing an environment where our employees can relax and socialize outside of work. To achieve this, we have created a spacious social space in our office. This area features activities such as table football, massage chairs, Play Station, chess, shuffleboard, and more. This social space allows our employees to recharge away from the daily work stress and strengthens team spirit.

### **Customer Focus:**

Customer satisfaction is the focal point of our business. We strive to understand our customers' needs and provide them with the best service possible. We value customer feedback and continuously improve ourselves.

### **Diversity and Inclusion:**

Diversity and inclusion are our strengths. By bringing together people from different perspectives and cultures, we can produce more creative and innovative solutions. We respect everyone's ideas and provide equal opportunities.

### **Sustainability:**

Sustainability is our commitment to leaving a better world for future generations. We promote environmentally friendly practices and use energy and resources efficiently.

### **Innovation and Technology:**

Innovation and technology are embedded in our company's DNA. We constantly develop new ideas, stay updated with technological advancements, and seek solutions to make our business more efficient.

### Digital Transformation:

As Integral Group, we leverage the power of CRM, ERP, and Business Intelligence software to optimize our business processes. This enables us to enhance efficiency and strengthen our customer relationships.

### Customer-Centric Digitalization:

We embrace digital solutions at every stage, from guest welcoming to customer tracking. This approach enriches customer experience and continuously improves our service quality.

### Reporting and Analysis:

We use advanced reporting and analysis tools to support our data-driven decision-making process. This allows us to effectively guide our business strategies.

### Environmental Responsibility:

Preserving natural resources and environmental awareness are part of how we do business. We work diligently on sustainable material usage, waste management, and energy efficiency.

### Safety and Health:

The safety and health of our employees are our top priority. By providing safe working environments, we ensure that everyone stays healthy and secure.

### Social Responsibility:

We are aware of our responsibility to society. We support social projects, collaborate with local communities, and contribute to activities that benefit society.

# Social Responsibility

### Tree Planting Initiative:

To support environmental sustainability, we organize annual tree planting events. Through these activities, we contribute to the preservation of natural habitats and the reduction of our carbon footprint.

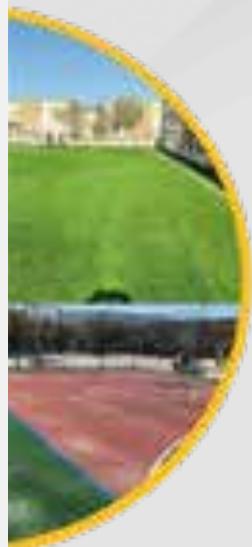

### Orphan Sponsorship:

To strengthen social solidarity, we support orphans at both local and international levels. Through projects aimed at improving education, health, and living conditions, we make positive impacts on these children's lives.

### Equal Opportunities in Sports and Education:

Believing in the unifying power of sports, we provide sports and educational opportunities to disadvantaged communities. This contributes to the personal development of young people and promotes social equality.

# INTERNATIONAL MEMBERSHIPS & CERTIFICATES

# INTERNATIONAL MEMBERSHIPS

## CERTIFICATES

BRAND AMBASSADOR  
&  
OUR AWARDS

Born in Bamako, Mali, on April 29, 1989, he started his professional career at RC Lens in 2008. He then moved to Turkey, where he played for Karabükspor and Kayserispor, respectively. His career in Russia continued with Dinamo Moscow, from where he transferred to Nottingham Forest. After his experience in England, he returned to RC Lens, where he ended his football playing career in 2022. He has also played numerous matches for the Mali national team. Since 2021, he has continued his journey in football as a coach, focusing on football education. He holds a UEFA A coaching license and currently serves as the coach for the RC Lens U14 team, in addition to his role as a secondary central coach at the club. In 2023, he signed an agreement with Integral Group to serve as the company's "Brand Ambassador." He is fluent in French, English, Bambara, and has a basic knowledge of Turkish.

In 2022, as Integral Group, we were awarded the Platinum Export

Award by the Istanbul Carpet Exporters' Association for our successful carpet export performance.

## SPONSORSHIPS

**ACCRA LIONS**

As Integral Group, It is a pleasure to announce and share the main sponsorship agreement of Accra Lions Football Club from the Ghana Premier League during the 2022-2025 season with our Integral Spor brand.

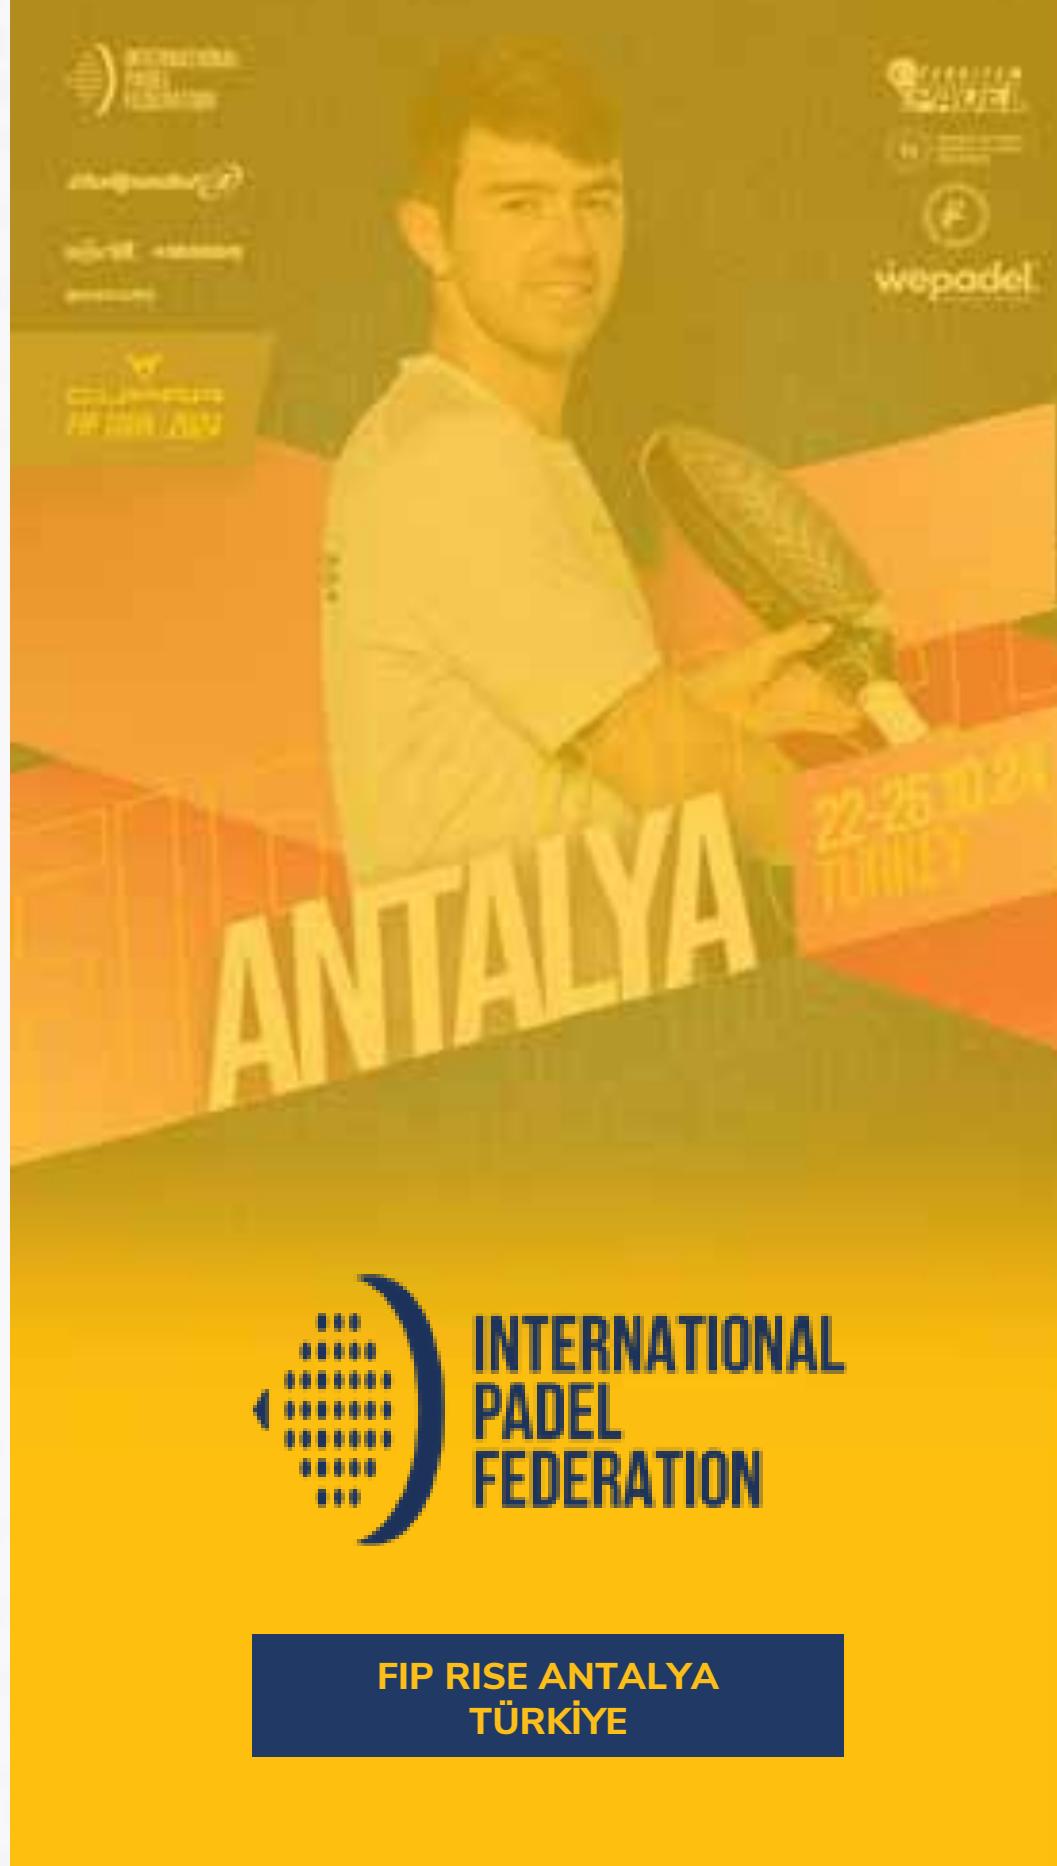

We hosted Mr. Ertan Göksu who is director of Accra Lions FC in the Head Office. Thank you very much for his meaningful gift. Integral Group is official sponsor of Accra Lions FC. Good Luck for Accra Lions Teams

As Integral Group, we are proud to have sponsored the FIP Rise tournament held in Antalya in 2024. This international event has contributed to the growth of padel in Turkey. We will continue to support sports and athletes, leading the development of padel.

As Integral Group, we are proud to sponsor this prestigious event with our WePadel brand. Through our sponsorship, we aimed to help padel reach a wider audience in our country and gain recognition on the international stage. Our support for such events reflects our belief in the dynamism and excitement of sports.

FIP RISE ANTALYA  
TÜRKİYE

THANK YOU

## AMAAN SPORTS COMPLEX OPENING

We congratulate our Integral Group® team for their outstanding efforts. The stadium was opened with a magnificent ceremony by the President of Zanzibar Dear Dr. Hussein Mwinyi. Congratulations to the people of Zanzibar.

**DR. HUSSEIN MWINYI**
